The annual Veterans Florida Expo brings together separating and retiring US Service members, veterans, their spouses, members of the Guard and Reserves, and workforce, talent, and economic development experts from all over Florida. Reach this important, statewide audience as an Expo Sponsor.

The Expo provides you exposure to at least 300 attendees from the local area, which includes MacDill Air Force Base, CENTCOM, and SOCOM, and from across the state - Florida has 21 military installations. Additionally, the Expo attracts local and state elected officials and agency leadership.

Attendees come to hear from career, industry, and entrepreneur experts, watch or participate in the Battle of the Pitches veteran and spouses entrepreneur contest, and grow their professional networks, and they are highly interested in Sponsors who can assist their personal and professional endeavors.

In addition to your Expo attendance, our social properties and newsletter will provide you pre and post event promotion when we inform our audience about your support of the event.
